

The 2020 NK Sports Camps will be reduced to 5 camps. As a result of COV-19 and the current RI Health Department rules running camps in June & July are not feasible. It is the hope of the camp staff that we will be in phase 3 by 8/1. This will allow larger groups with more than 15 members. A safety/cleaning plan will be in place before any camp can function.(Prices have increased slightly for cleaning)

With the **current** spacing issues, camps will be divided into 4 stable groups of fourteen campers and one coach. These groups must remain together for the week. Therefore, 56 is the limited of campers we can have at any of the camps listed below. Please sign up early. Your spot is reserved when payment on my school bucks has been received.

If camps are cancelled you will receive a refund for the camp but not for MSB (My School bucks transaction fee)

**IMPORTANT:** My School bucks is not taking sign-ups until they update their website on dates/times/Money. As you can imagine they are overwhelmed right now

**I think Next Monday 6/8 will be a good time to sign-up and pay.**

**Since the dates, times, and money have changed everyone will have to re-register once they are open.**

Thank you

Aaron Thomas
